EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Everett D. Robinson on September 9, 2005.

The application has been amended as follows in order to provide proper antecedent basis in the specification for subject matter claimed as originally filed:

In the Specification:

Page 9, line 20: after "teaching styles beneficial to the learner." insert --The modification of the presentation may additionally utilize the learning strategies in a random pattern of presentation to the student.--

In the Claims:

Claim 70: replace status identifier "(new)" with --(previously presented)--

Claim 71: replace status identifier "(new)" with --(previously presented)--

Claim 72: replace status identifier "(new)" with --(previously presented)--

Claim 73: replace status identifier "(new)" with --(previously presented)--

Claim 74: replace status identifier "(new)" with --(previously presented)--

Claim 75: replace status identifier "(new)" with --(previously presented)--

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Patentability seen in, although not limited to independent claims 70, 76, 82: the combination of elements specifically claimed including the feature of implementing a random pattern in choosing instructional strategies in combination with the choice favoring the use of instructional strategies having a weight indicating a

greater likelihood of success of the student's instruction. The closest prior art of record does not teach or fairly suggest the claimed features in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Cameron Saadat whose telephone number is (571) 272-4443. The examiner can normally be reached on M-F 9:00 - 6:00.
